## ***Sector Export Data, Facilitation Inputs & Details of Knitwear & Sweater Exporters***

Dear Members,

Federation of Pakistan Chambers of Commerce & Industry (FPCCI) is in process of compiling sector-wise export data and developing a consolidated database of leading exporters from major export-oriented sectors of Pakistan. It is scheduled to hold an important meeting with the concerned Government authorities. Therefore, your input is required to enable FPCCI to present consolidated sector-wise recommendations effectively.

Members are therefore requested to share the following information about Knitwear & Sweater Exporters Sector; to which this association represents:

- Current export volume of your concern (latest FY/year)
- Estimated export potential over the next 3-5 years
- Key challenges/constraints affecting export growth
- Facilitation measures required to achieve this potential

For your convenience, a simplified questionnaire is attached herewith.

Further, FPCCI is also in the process of developing a consolidated database of leading exporters from major export-oriented sectors of Pakistan. In this regard, you are kindly requested to provide details of Knitwear & Sweater Exporters along with their complete contact details and approximate export value/figure such as the company name, its owner's name, complete address, contact numbers, email ID and exporting figures.

The required information may please be shared as soon as possible to enable timely consolidation and further engagement with the leading exporters.

Your input will later on be transmitted to Government to support policy interventions, trade facilitation and sector growth. We highly value your cooperation in this important national initiative.
