Implementation of Electronic Certificate of Origin (ECO)

Members are once again informed that the association is issuing the above certificate nowadays in addition to the online Visa Recommendation Certificate.

Since the Government has started digitizing almost all trade-related documentation, the issuance of Visa Recommendation Certificate was at first taken up by NADRA and now, the issuance of Certificate of Origin has since been digitized and is being issued online through Pakistan Single Window (PSW) portal nowadays.

Our association was one of the five trade bodies nominated for this purpose by the Director General Trade Organizations (DGTO) under his letter F. No. 1(#0/2023-Admn of 20th February 2024.

System has since become operative at our association secretariat and is running quite successfully. Hence, our association has the distinct honour of serving its members with issuance of Electronic Certificate of Origin (ECO) as well as Electronic Visa recommendation certificate.
