Circular to members # 51/2026-27

October 1, 2026

***Awareness session for the Association's
Non-Corporate Members***

The Securities & Exchange Commission of Pakistan (SECP) has consistently spearheaded policy reforms and digital transformation to simplify business entry, enhance regulatory clarity and encourage formalization of the economy. The SECP has achieved record-breaking corporate growth through corporatization initiatives including online incorporation through the eZfile platform, integration with external registries and digital facilitation.

Mr. Obaid Ur Rehman, Additional Registrar of SECP Corporate Registry Division at Karachi has desired to facilitate an awareness session for the non-corporate members of the Association. The objective would be to raise their awareness about corporate incorporation.

The initiative is intended to –

- Enhance awareness regarding the advantages of operating through a company structure;
- Encourage informal/unregistered businesses and partnerships to consider corporatization;
- Educate members of the Association about SECP's simplified and digital incorporation process; and
- Highlight the benefits of incorporation including enhanced credibility, continuity of business, access to finance, participation in formal markets and improved business opportunities.

The Association is planning to invite Mr. Obaid Ur Rehman and his associates for the aforementioned session on some suitable date convenient to our members and therefore wish to seek advice either on phone or through message on email ID: kho@paksea.com as soon as possible.

We are eagerly waiting for your prompt response please.
