

Dear Sir,

السلام عليكم ورحمة الله

As per SRO-1413 (I)/2025 dated 1st August 2025, all Companies, AOPs and Individuals registered under Sales Tax Act 1990 are required to integrate their hardware and software with FBR for issuance of **e-Invoices** bearing **Unique Invoice Number issued by FBR, associated QR Code and Digital Invoicing Logo**.

The compliance of SRO-1413 requires **extensive work** on the existing invoicing software, registration with FBR, testing of integration through Sandbox and issuance of e-invoices. Therefore registered persons should act very smartly for ensuring timely compliance in order to avoid legal implications, departmental notices and penal action.

In order to facilitate the Registered Persons for complying with SRO-1413; we have launched **Digital-Invoicing (DI)** which is *Cloud Based, Robust, Secure, Reliable, FBR Compatible & Economical ERP Solution*. Keeping in view the nature and size of businesses, we have designed various Subscription Packages (copy enclosed) with following services and features:
